Sir,

Subject - Putting up a sign Board near the General Post Office, Mysore

---

I write to state that a good number of dutiable articles are being imported into the city through parcels in the General Post Office Mysore. The Municipality will have to sustain heavy loss in Octroi revenue if octroi leviable on all dutieable articles, which are being imported into the city through Post Offices is not collected Hence a special staff has been employed among other places (Ookads) at the General Post Office Mysore, for collection of octroi on the dutiable articles to be received by the Public, and imported into the city This procedure was being continued all along smoothly Recently some complaints were received from the public, to the effect, that the staff so deputed should wear uniform and badges and that necessary sign Boards should be put up near the Post Office to keep the Public informed of the levy of octroi on such articles In view of the above, the staff were instructed to wear the uniforms and the Badges As regards putting up a sign Board the Superintendent, of Post Offices, Mysore Division Mysore, was consulted, and he has stated that as per standing orders of the Department, no posters or sign boards except those issued by the Postal ~~by them~~ Department, whether issued by a Government Department, Public Body or Private institution can be exhibited at Post Offices without prior sanction of the Director General, Posts and Telegraphs

It may be stated in this connection that under bye-laws framed under Section 51(K) of the City Municipalities Act, (Mysore

P T O

(Mysore Act No VII of 1933) Post offices within the limits of the Mysore city, which are and may be constituted as Delivery Offices, shall be treated as Octrads for purposes of levying octroi duty on articles received through Post Offices In consideration of this fact and with a view to avoid complaints from the public I request you kindly to address the Director General, Posts and Telegraphs, New Delhi, to accord sanction to put up a Sign Board in question near the General Post Office, Mysore, in the interest of smooth collection of octroi revenue

Yours faithfully,

(F M Abdul Rahim)

Sir,

Subject Putting up a sign Board near the General Post Office, Mysore

I am directed to forward herewith a copy of letter No C8 C 115/50-51 dated 10th July 1952 received from the Municipal Commissioner, Mysore City on the above subject and to state that under the laws in force, post Offices within the limits of the Mysore City which are and may be constituted as Delivery offices should be treated as Octkads for collecting octroi and simultaneously all ookads should bear a sign post The absence of a sign post to keep the public informed of the levy of octroi on articles subject to this duty would violate an essential condition of the levy, and would give the public an opportunity of complaining and refusing payment under cover of this omission As this is an important fiscal measure of the Municipality, I request you to be so good as to issue suitable instructions to the Superintendent, General Post Offices, Mysore Division, Mysore, to permit the putting up of the required sign Board at the premises of the General Post Offices, Mysore, for the collection of the Municipal Octroi duty

Yours faithfully,
